### MACHINE SHOP AGREEMENT & CHARGES

**The user must have completed the Safety Training course to be allowed access.**

When the user operates any Machine Shop Equipment in the Multi-User Facility, he / she assume full responsibility for any damage to the equipment caused by the user's neglect or inappropriate use. It is the user's responsibility to acquire sufficient Machine Shop training to qualify as a competent user in the Multi-User Machine Shop facility.

**Access fee for each semester is \$100.00 per user.**

Continued certification as an authorized user requires compliance with the above policies. I authorize the above named individual to use the Multi-User facility and expenses incurred should be billed to the above account.
